Please follow the instructions below to complete your return.

1. Repackage your return merchandise (please remove any previous labels or tape and refrain from using Priority Mail packaging).
2. Cutout the label above along the dotted line and secure it to your package using clear tape. You must have one label for each package that you return.
3. Drop your return package in any U.S. mail location - at home or work, in a mailbox or at a Post Office without waiting in line.

This label is unique for your specific return request. Please do not photocopy this label or use for alternative orders.
